A large, mature tree with a thick, dark trunk and a dense canopy of bright yellow autumn leaves dominates the left side of the frame. In the foreground, a rustic wooden fence made of three horizontal rails and vertical posts runs across the bottom. The ground is covered with fallen yellow leaves. The background shows more trees with similar autumn foliage under a clear sky.

This fall,  
don't let the leaves  
be the only things  
that change

# Whether or not you're registered in New Hampshire yet, you can still vote on Election Day

On Tuesday, November 4th,  
help bring the change we really need

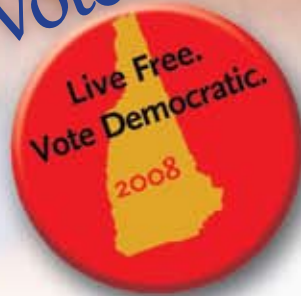

In New Hampshire, you don't need to be registered before Election Day in order to vote. So if you're not yet registered, or if you're just not sure, you can still add your voice to the call for change.

We've lived through some pretty dark days in recent years, but we can turn this country around if we all do it together. In New Hampshire, we all can.

Get to the polls on Tuesday, November 4th. Your vote matters.  
Whether you're registered yet doesn't.

To find out where you vote, please visit <http://www.vote411.org/> and enter your address or call 1-888-622-0308. If you need to register to vote on Election Day, bring a government-issued photo ID.
