

On Tuesday, November 4th, you can vote.  
And you can't bring **CHANGE** any other way.

*Whether or not you're registered in New Hampshire yet,  
you can still vote on Election Day*

In New Hampshire, you don't need to be registered before Election Day in order to vote. So if you're not registered yet, or if you're just not sure, you can still add your voice to the call for change.

We've lived through some pretty dark days in recent years, but we can turn this country around if we all do it together. In New Hampshire, we all can.

**Go to the polls on Tuesday, November 4th.**
